Experience

- Graphics Designing
- Web Development
- Figma Expert
- Social Media Management
- UI/UX Expert
- M S Office Expert

With over 4 years of hands-on experience in the digital design and development field, I've worked on a wide range of creative and technical projects. My expertise includes Graphics Designing, Web Development, and UI/UX Design, where I focus on building visually engaging and user-friendly interfaces.

I'm also proficient in Figma, Social Media Management, and MS Office, enabling me to deliver complete digital solutions — from concept design to online branding and content management. My goal is to create impactful digital experiences that help brands grow and stand out online.
